LETTER FROM THE COMMISSIONER

Dear Girls Academy Community,

Welcome to the Spring Showcase at Bryan Park in Greensboro! We are excited to bring the Girls Academy family together once again for a weekend of high-level competition, meaningful connections, and continued growth in one of the premier environments for our game.

This event marks an important moment in our 2025–2026 season, as players, coaches, and families from across the country come together to compete, develop, and showcase their progress. The Spring Showcase continues to be a key platform for our athletes, offering both a competitive stage and valuable exposure as they pursue their individual pathways within the game.

We are proud to see the continued evolution of our league on display throughout the weekend. Each match represents not only the quality of play within our league, but also our commitment to creating a player-first environment that prioritizes development, opportunity, and long-term success.

Bryan Park provides an outstanding setting for this event, and we are grateful to all of our clubs, families, and staff for their role in making this showcase possible. Our team remains dedicated to delivering a first-class experience both on and off the field, and we encourage everyone to take full advantage of the opportunity to connect, learn, and grow together.

As the weekend unfolds, we hope you compete with confidence, support one another, and represent your clubs and communities with pride. Thank you for being part of the Girls Academy and for continuing to help us raise the standard of the game.

Wishing you a fantastic week in Greensboro and continued success throughout the season ahead!

With excitement and appreciation,

*Trish Hughes

Activations

GREEN OUT: MENTAL HEALTH AWARENESS

Join us for our Green Out games as we raise awareness and show support for mental health across our community. From April 9–13, we encourage all players and families to wear green and stand together in breaking the stigma. Be sure to visit the Advisory Panel Tent to pick up your Green Out gear and take part in our “Take What You Need” message station. Write a note someone might need to hear or take one with you as a reminder that you’re not alone. Together, we can create a more supportive environment on and off the field.

SPORTSMANSHIP INITIATIVE

In line with our commitment to fostering a positive and fair environment, we will be recognizing displays of outstanding sportsmanship on the field. Match Officials will identify one player in each game who demonstrates exceptional sportsmanship to receive the "Sportsmanship Award." Each selected player will be invited to visit the Advisory Panel Tent after the match, where they'll be entered into a raffle for a new pair of Adidas cleats.
